

Notre Dame, UCA and DeSales alumni are scattered across the country, and even around the world. But no matter where their lives have led them, our alumni all share a common bond—and that's the place they started out.

That's why Notre Dame High School is working on a new publication designed to help bring our alumni back together. This new publication will include comprehensive biographical listings with current contact, career, and family information about our graduates. Plus, a special section about the school will help you reminisce as you read about our past and learn what's in store for the future.

To make sure our Notre Dame High School Alumni Directory is as up-to-date as possible, our publisher, Harris Connect, will begin contacting alumni to verify that the information we will print is accurate and complete. Harris Connect has more than 45 years experience researching and publishing alumni and membership directories.

Please help us make this publication full of the latest information about you and your fellow alumni. It will be a fun and useful reference, as well as helpful in keeping people in touch with one another.

Notre Dame High School Partners with Harris Connect to Produce Alumni Publication

Notre Dame, UCA, and DeSales graduates change emails, jobs and locations so often that it is hard to keep up with them. Therefore, Notre Dame High School has contracted with Harris Connect, the largest alumni publication company in the US, to update contact information for all our alumni around the world.

The easiest and fastest way to track down long lost school friends or keep up-to-date with campus news and activities is through the alumni directory. Harris Connect will produce a beautiful hardcover publication with up-to-date contact information so that Notre Dame, UCA, and DeSales alumni can reconnect for personal and professional networking.

Alumni will be contacted - by e-mail, mail and phone over the next few months to verify and update their contact and career information. With your participation, the 2011 Notre Dame High School Alumni Directory is sure to be a great success.
